Notice

We are happy to inform you that Rammohan Library and Inflibnet NList have joined forces to give you access to a variety of electronic resources and e-journals. A cooperative called Inflibnet NList makes scholarly literature accessible to educational and research organizations all over India.

All (Students/Faculty] of our college must complete the registration process and create an Inflibnet NList ID in order to access this priceless resource. This will provide you access to the vast selection of e-books, e-journals, and other online materials offered by Inflibnet NList.

Access to Inflibnet NList offers a fantastic opportunity to advance your academic and research endeavours by gaining access to a wide range of digital materials. We urge you to take use of this excellent tool and peruse the amount of information offered by Inflibnet NList.

We appreciate your assistance in hastening the registration process completion. Please feel free to contact Mr. Ram Sundar Garai (Librarian) if you have any queries or need more information.

A valid Email ID with password will be required for the registration. Your Inflibnet NList ID and additional information on how to access the resources will be included in a confirmation email you get once the registration procedure is complete.

The registration process will start from 21st July, 2023 at the Rammohan Library and scheduled to span over a period of 15 days, allowing participants ample time to complete the necessary steps and create their accounts
