सत्यं वद। धर्मं चर। *Speak the truth, abide by the law*

MISSION

"To develop high calibre professionals
facilitating good corporate governance"

Company Secretary

The Governance Professional

Stages to become a Company Secretary

REGISTRATION FOR CSEET: Students may register online at ICSI Website: www.icsi.edu under the online services option by making payment through payment gateway. Thereafter they are required to upload documents in support of their qualification in order to get the registration process completed.

DISTANCE LEARNING:

- ICSI imparts Company Secretaries Course by Distance Learning enabling students to qualify as Company Secretaries.
- Study material is provided to all registered students of Executive/Professional Programme.
- Students may pursue the Course through self study mode.
- Class room teaching facility is also provided by the Institute at select places through Regional Councils/ Chapters/Study Centers on payment of extra fee.
- e-learning facility through web based training and live virtual classroom is also available.

MEDIUM OF EXAMINATION : The Institute allows the students to appear in Institute's examination in English or Hindi medium, subject to other prescribed guidelines in this regard.

TRAINING :

Students are required to undergo one month EDP (15 days classroom mode and 15 days online mode), 21 months Practical Training after passing the Executive Programme examination. After Professional Programme, students are required to undergo Residential Corporate Leadership Development Programme (CLDP) in order to get their membership.

OR

Exempted therefrom on the basis of working experience prescribed.

FURTHER ACADEMIC PURSUITS:

- CS qualification has been recognized by various Universities for admission to Ph.D. Course in Commerce / Management / Law, etc.
- Post Membership Qualification (PMQ) Courses in various areas.

EMPLOYMENT PROSPECTS:

COMPANY SECRETARY IN EMPLOYMENT : Every listed company and every other public company as well as private company having a paid up share capital of 10 crore rupees or more is required to appoint a whole time company secretary under the Companies Act, 2013. Company Secretaries are also designated as Key Managerial Personnel (KMP) under the same law.

COMPANY SECRETARY IN PRACTICE : As regards profile of a practising company secretary, one topping the charts is secretarial audit and is applicable to a certain class of companies. An audit to check compliance of various legislations including the Companies Act and other corporate and economic laws applicable to the company, Secretarial Audit is an independent and objective assurance intended to add value and improve operations of the Company.

Other areas of opportunity :

- Certification Services • Valuation • Insolvency & Bankruptcy • GST • Intellectual Property Rights • Representation Services • Mediation and Conciliation

Note: Group Personal Accident Insurance, Hospitalization Expenses Reimbursement Scheme are guided by Company rules

The Company reserves the right to change the structure from time to time. You will be entitled to benefits such as Provident Fund and Gratuity in accordance with the laws of land and / or per company policy. Your remuneration is purely a matter between yourself and the Company and has been arrived on the basis of your job, skills specific background and professional merit. You will be expected to maintain this information and any changes made therein from time to time as personal and confidential. All forms of compensation referred to in this letter are subject to TDS as per law.

- Transferability:** Your services are liable to be transferred to any other Departments / Divisions / Office / Subsidiary of the company, anywhere in India or abroad. Notwithstanding your appointment in this company, your services may be assigned by the Company at its sole discretion to any other associate company. You will be expected to attend the office during the working hours/shifts as may be decided by the Company. The working hours/shift could change periodically, or you may be required to work from home in accordance with "Remote Work Policy" depending on the job requirements.
- Confidentiality, Non-Disclosure etc.:** You are required to maintain the highest order of discipline and secrecy as regards the work of the Company and/or its subsidiaries or Associate Companies and in case of any breach of discipline/trust, your services may be terminated by the Company with immediate effect. All inventions, improvements, discoveries made by you either alone or with any other persons will become the sole property of the Company. You will ensure that patent protections are obtained for such inventions/improvements and discoveries in India or elsewhere and hand over the same to the Company. You shall not, while in the employment of the company be engaged in any other employment, business whatsoever or hold any office of profit or accept any other emoluments without prior consent of the company in writing.

Provisional Offer : BUSINESS PROCESS SERVICES
Ref: TCSSL/DT20219207945/Kolkata/BPS/BTN
Date:15/12/2021

Dear Mr. Subhamay Ghosh,

Sub: Letter of Provisional Offer and Terms of Employment.

Thank you for exploring opportunities with **Tata Consultancy Services Limited(TCSL)**. You have successfully completed our initial selection process and we are pleased to make you a provisional offer of Traineeship.

You have been selected for a twelve month traineeship program at grade BPOS. You will receive a fixed monthly stipend during your internship. Your stipend amount will be decided on the basis of joining location and the process in which you will get allocation. The same will be communicated to you along with the detailed offer letter.

Kindly confirm your acceptance on the traineeship offered by signing Annexure 1. If not accepted within 30 days of receipt, this offer of traineeship is liable to lapse at the discretion of the Company.

This is a provisional offer of traineeship and should not be construed as an Offer of Employment from TCSL. A detailed offer of traineeship will follow within 7 days from completion of all documentation formalities and your aforesaid acceptance on this provisional offer. The Offer of traineeship will be made to you provided this - opportunity continues to be available with TCSL.

Your traineeship with TCS is subject to your being declared medically fit and retaining that fitness during the tenure in the company and your Background / Reference check being favourable and acceptable to the Company.

On joining and successful completion of all Joining formalities including the back ground verification, you will be issued a Letter of Appointment by TCSL.

Your appointment will be governed by the policies, rules, regulations, practices, processes and procedures of TCSL as applicable to you and the changes therein from time to time.

Report of 13th Special Camp

The National Service Scheme (NSS) Unit I,II,III organized 13th Special Camp, held from 24/09/2022 to 29/09/2022 marked a transformative experience for participants. Hosted at the respective adopted villages of the three units. The adopted village of the NSS Unit I, II,III are Kurmodanga, Masundi, and Kandra respectively. The camp aimed to instill a sense of social responsibility and community engagement among the youth. The diverse range of activities included community service projects, health awareness campaigns, and skill development workshops. Participants actively contributed to local development, fostering a strong bond with the community.

The camp also emphasized values of teamwork, leadership, and cultural exchange. Notable achievements included College Campus Cleaning, Village Work and Vidyasagar's Birthday observation, PT & Parade etc, showcasing the tangible impact of NSS initiatives. The camp facilitated personal growth, fostering a spirit of civic duty and empathy among attendees. Beyond the immediate impact, the NSS Special Camp left a lasting impression on participants, equipping them with the tools to be responsible, socially conscious citizens. The success of this camp underscores the significance of NSS in shaping the youth into agents of positive change.

Course Description:

Digital Literacy is a comprehensive course designed to equip students with the essential skills and knowledge needed to thrive in today's increasingly digital world. This course explores the fundamental concepts and practical applications of digital technologies, focusing on developing a deep understanding of digital tools, online communication, information management, and critical thinking in the digital age.

Course Objectives:

1. **Foundations of Digital Technologies:** Introduce students to the basic concepts and principles of digital technologies, including hardware, software, networks, and data.
2. **Digital Communication Skills:** Develop effective communication skills in the digital realm, covering topics such as email etiquette, online collaboration, and social media professionalism.
3. **Information Literacy:** Equip students with the ability to critically evaluate and analyze digital information, discerning between credible and unreliable sources.
4. **Online Safety and Security:** Explore best practices for maintaining personal and professional security online, including password management, privacy settings, and recognizing potential cyber threats.
5. **Digital Citizenship:** Foster a sense of responsibility and ethical behavior in the digital world, addressing topics such as digital rights, online etiquette, and respectful online behavior.
6. **Digital Tools and Productivity:** Introduce a variety of digital tools and applications that enhance productivity, organization, and creativity, emphasizing hands-on experience with popular software and platforms.
7. **Problem-Solving and Critical Thinking:** Develop critical thinking skills in the context of digital problem-solving, encouraging students to approach challenges with a systematic and analytical mindset.
8. **Media Literacy:** Analyze and interpret various forms of digital media, including images, videos, and online content, with an emphasis on understanding media bias and evaluating digital media credibility.
9. **Digital Accessibility:** Explore the importance of creating digital content that is accessible to individuals with diverse abilities, ensuring inclusivity in the digital space.

Course Description: This basic photography course will take you to an advanced level in no time and fill any gaps of knowledge that may be causing you not to reach your full potential. You'll be able to use your camera in all the manual modes and apply the knowledge learnt to any situation. This course will make you feel completely camera confident and ensure your pictures stack up against any professional-looking photography. It's for people who want to take photography more seriously and will suit keen enthusiasts or anyone looking to make photography their profession. We've been running this Basic photography course since 2018 and all this experience goes into bringing you the art and science of photography so that you don't just understand it for 5 minutes - you retain the knowledge forever! This is a one-time investment that will put an end to any confusion, whilst giving you accurate and thorough knowledge in photography.

Course Duration: This Course will be of 30 hours. (Starting from: **08/02/2022**)

Course Objectives: Our beginner photography course will help you understand the basics of light and how your eye fixes lighting. How to get your camera to catch what your eye sees to produce better pictures.

1. Define the process, uses, principles and advantages of digital photography
2. Develop the concept of the basics of digital imaging, Raster & Vector Graphics, Resolution, Pixel depth, Aspect Ratio, Dynamic Range, File Formats, File Size, Image Compression etc.
3. Visualize the concept of digital platform and various methods of image capture.
4. Develop the method of basic image editing techniques.
5. Introduce various methods of post-production and retouching techniques. 6. Develop the concept of digital output and producing the final product

Learning Outcomes: To develop the skill & knowledge of Digital Photography. Students will understand the knowhow and can function either as an entrepreneur or can take up jobs in Photography & video studios, edit set-up, graphic arts industry and other audio-visual sectors.

Report of ADD ON Course on Learn Basic Photography Department of Mass Communication and Journalism 08/02/2022- 16/02/2022

The department of Journalism and mass Communication of Kandra Radha Kanta Kundu Mahavidyalaya successfully organized a 32 hour Add On Course on "Learn Basic Photography" held within a duration of 8 days starting from 8th February 2022 to 16th February, 2022. A total of 30 undergraduate students from different departments as well as different institutions participated in this ADD ON Course programme. The course was patroned and Inaugurated by Dr. Mrinal Kanti Chattopadhyay, Principal, Kandra Radha Kanta Kundu Mahavidyalaya with his spectacular speech on importance of Photography, followed by discussion on the course outline, outcome and a general history of invention of camera by Mr. Safikul Alam, Faculty of the department of Mass Communication and Journalism. Students joyfully participated in the discussion on the introductory class taken by Mr. Sahabaj Ahammed Mondal, Faculty of the Department on journalism in which he discussed about the different part and different types of cameras. The 30 hours Add On course feature distinguished Professional Photographer, like Mukulesur Rahaman and Sourav Bhattacharaya. Mukulesur Rahaman discussed about photo journalism and technique of realtime outdoor shooting. He also talked about the difficult situation while shooting outdoor and how to deal with that situation. Whereas Mr Sourav Bhattacharaya discussed about uses of different Lens. He also Discussed about the function of Light in photography. The discussion was followed by Hands on Training with the cameras.

Out Come

The Learn Basic Photography add-on course has proven to be a transformative experience for participants, equipping them with essential skills to capture stunning images. Through a structured curriculum covering fundamental principles like composition, lighting, and camera settings, participants have gained confidence in using their cameras effectively. Hands-on practical exercises and constructive feedback sessions have honed their abilities to frame compelling shots and convey stories through images. The course has fostered a community of budding photographers who now share a common language and passion for photography. Graduates are not only equipped with technical proficiency but also a heightened appreciation for the art form. This add-on course has empowered individuals to explore their creativity, unlocking a new avenue for self-expression through the lens.
